With or without milk

Latte Macchiato

Steamed frothy milk, slightly sweetened with a layer of smooth, full-bodied espresso. Effectively an upside-down Caffè Latte, 'latte macchiato' literally means stained milk!

Espresso

Intense aromas and a full-bodied flavour with a velvety crema finish. It is the smooth crema layer that tells you you're drinking an intensely authentic, full-bodied espresso. The crema creates a 'cap', retaining the coffee's aromas and flavours for the perfect after dinner coffee

Espresso Barista

Short, dark and aromatic, the Espresso Barista packs a real punch! It's the deliciously strong, Italian-style coffee. Bursting with intensely rich flavours and topped off with a velvety layer of crema, it's the cheekiest coffee!

Caffè Americano

This stylishly smooth blend is the perfect coffee whatever time of day. Milder thanks to its light roast and its carefully selected roast & ground beans, Americano is enjoyed best in a large mug. With or without milk

Cappuccino

A shot of rich espresso topped with deliciously sweet frothy milk. Cappuccino is Italian for hood, which may explain why the coffee takes its name from an order of Franciscan Minor friars called 'cappuccini', who wore hoods on their habits. The foam on a cappuccino retains the heat of the coffee below – just like a hood!

Chococino

A rich, velvety hot chocolate made with the finest cocoa beans. A devilishly smooth hot chocolate with the full flavour of specially selected cocoa beans and rounded off with a delicate layer of frothy milk. If you're passionate about deliciously good chocolate, Chococino is the ultimate indulgence
